

### ANSWER THIS.

Many unhappy sufferers from Indigestion and Dyspepsia are daily sending their appreciating testimonials in praise of Walther's Peptonized Port. We have such testimonials by the thousands from all parts of the U. S. However, don't publish same like many unscrupulous patent medicine concerns are in the habit of doing in order to catch the unwary public. All we ask is, when you are tired trying worthless remedies to relieve and cure Dyspepsia and Indigestion, give Walther's Peptonized Port a trial, and you will praise up a common sense remedy that will make you well and keep you well. The only advertising we can get is by the old saying: "The proof of the pudding is trying it." All leading druggists of good standing only have it on sale. All Physicians of repute are prescribing it daily to their weak and convalescent patients, because they know that Walther's Peptonized Port is a valuable refrigerant and tonic for Dyspepsia, Indigestion, Belching Stomach Trouble, Diarrhoea, Bowel Complaints, Bad Breath, Flatulency, Impaired Strength, Weakened Vitality, and specially intended for the use of convalescents.

Quarts, \$1.00; pints, 50 cents. At all leading druggists of good standing. Sample size 10 cents only.

for satisfactory evidence against any registered druggist in Ohio who tries to evade a legitimate sale of "Walther's Peptonized Port" by trying to persuade a customer to take something else which he claims is better, and running down the meritorious virtues of "Walther's Peptonized Port."

## THE BEAR WAS CHAINED,

But Art Didn't Know It—A Thrilling Experience at Hot Springs.

Art Simms, while at Hot Springs, Ark., met with an experience which for a few minutes doubtless made him think he had wandered beyond the limits of civilization. The Hot Springs Sentinel-Record tells the story as follows:

Art Simms received a shock to his nervous system yesterday morning that he will have to recover from soon or he won't be able to meet Jack Carrig on even terms at the Grand Thursday evening.

Simms was in the habit of making long runs to the country every morning, and yesterday he went out the Whittington Park driveway. After a run of two miles, and while on his way back, he spied a bench in the forest just above the park. He was fatigued, and thought to take a little rest before finishing the run to the

city. He had just seated himself comfortably when he heard a slight rustle of the leaves behind him. Not thinking anything was wrong he paid no further attention to the sound until he looked up and saw the brown nose of a chimpanzee reaching across his lap. Simms made one jump, never looking behind, and after lighting upon his feet about fifteen yards away, he started down the turnpike at a two-foot gallop. When he reached the city he reported to the officers that a bear was at large just above Whittington Park and between gasps for breath advised some one to go out and shoot it for public safety. The officers investigated the matter and learned that the bear could not have followed Simms far. It was chained to a tree, and had just been taken there for a little exercise from the cage at the Zoo.

### Dangers of Pneumonia.

A cold at this time if neglected is liable to cause pneumonia which is so often fatal, and even when the patient has recovered, the lungs are weakened, making them peculiarly susceptible to the development of consumption. Foley's Honey and Tar will stop the cough, heal and strengthen the lungs, and prevent pneumonia.

## Kodol Digests what you Eat Dyspepsia Cure

You might as well put fuel under a boiler without burning it and expect the engine to run, as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, Kodol, Dyspepsia Cure, will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa., writes: "I have been afflicted for a number of years with dyspepsia and have tried various remedies without good result, but was cured by one bottle of KODOL DYSPEPSIA CURE. I cannot say too much in its favor."

It can't help but do you good

Prepared by E. C. DeWitt & Co., Chicago. The \$1.00 bottle contains 24 times the 50c. size. When you need a soothing and healing application for piles, sores and skin diseases, use DeWitt's Witch Hazel SALVE. Beware of counterfeits. WM. WARNER, GEM PHARMACY, 113 HOWARD ST.

## NEGRO BOY

Has Built a Remarkable Steam Engine.

Ripley, O., March 4.—Within the past week, an uneducated eighteen-year-old negro boy, living in the country five miles from Versailles, has shown remarkable mechanical genius by constructing, without advice or assistance, and with the crudest material, a stationary steam engine that runs perfectly. A piece of old pipe, which he inclosed in Habbitt metal, forms the cylinder; the boiler is a large tin can and the governor is made of a brass link cuff-button. The boy built the engine after seeing an engine in operation in a near-by distillery. Mechanical experts pronounce it a wonder. Harvey is now preparing to build a larger engine that will have power enough to operate machinery.

## Chronic Diarrhoea

(Catarrh of the Bowels.)

How This Annoying and Weakening Disorder May be Cured.

The bowels are lined by mucous membrane that is very much like the lining membrane of the nose. Frequently catarrh attacks this mucous membrane lining the bowels and a discharge results that is known as chronic diarrhoea.

Intestinal catarrh or catarrh of the lining membrane of the bowels is quite a prevalent disease, being especially common among men who have seen active service in the army where the many changes of the drinking water, the food, and the frequently bad condition of both, together with exposure incident to the varying conditions of camp and march bring about repeated attacks of acute diarrhoea that leave the lining of the bowels weak, irritable and predisposed to catarrh—just as repeated colds in the head predispose to chronic nasal catarrh.

Catarrh is a constitutional disease, it is in the system, but finds vent or expression through a skin. In the outside or covering skin it is known as eczema, which disease is simply catarrh in the outside skin. When catarrh finds vent through the mucous membrane or lining skin of the various cavities and passages of the head it is most commonly called catarrh. When catarrh affects the mucous membrane or lining skin of the air tubes leading to the lungs, it is usually named bronchitis. When catarrh gets vent from the lining skin of the female pelvic organs it is spoken of as leucorrhoea, whites and female weakness. And so on, when the lining skin of other organs are affected a distinctive name may be given to the ailment but it is just systematic catarrh finding a local expression and vent, and a systematic remedy that will cure catarrh in one part and under one name, will cure it in any other part under some other name.

Stuart's Catarrh Tablets will cure systematic catarrh, they cure it in the blood, therefore they cure its local vent or expression anywhere and everywhere. Eczema (catarrh of the skin); rhinitis (catarrh of the nose); bronchitis (catarrh in the air tubes); gastritis (catarrh in the stomach); diarrhoea (catarrh of the bowels); cystitis (catarrh of the bladder); leucorrhoea (catarrh of the female pelvic organs); and all other catarrhs of whatever distinctive name or wherever located about the body, are cured by this sovereign remedy for systematic catarrh.

Cut off the fountain head and all streams it feeds go dry. Cure catarrh in the blood and there will be no local vent, expression or manifestation of it. The reason Stuart's Catarrh Tablets are credited with curing so many variously named diseases is because all these diseases are simply local expressions or vents for catarrh. Stuart's Catarrh Tablets are a reliable specific for catarrh under all names and in all parts; they are not a cure all, and a disease to be cured by them must be an expression of or vent for catarrh.

Chronic diarrhoea being a vent for catarrh through the mucous membrane or lining skin of the bowels, is readily cured by Stuart's Catarrh Tablets because they cure the catarrh in the system, and there is nothing to fluid vent through some skin or mucous membrane.

Stuart's Catarrh Tablets are sold at all drug stores for 50 cents a box. If you have catarrh of any part, in any form it will be prudent, wise and advantageous to make it your first duty to buy and take them for they cure catarrh anywhere and everywhere.
